Agenda

7 a.m. Registration, Continental Breakfast, and Exhibits

7:50 a.m. Welcome and Introductions

8 a.m. Big Data to Tiny Cells: Leveraging Resources to Improve Venous Care

Andrea Obi, MD

- Understand the phases of translational research.
- Identify clinical trial designs by key characteristics.

9 a.m. Step By Step: Navigating Challenges in Diabetic Foot Infection

Caitlyn Hollingshead, MD, CMQ, AAHIVS

- Discuss the treatment for common and uncommon infections of diabetic foot wounds.
- Define the challenges that accommodate diabetic foot ulcers (DFU).

9:30 a.m. Peripheral Arterial Disease

Quynh-Diem Lam, MD

- Identify management for the patient with minimal and extensive peripheral vascular disease.
- Review surgical techniques for the treatment of peripheral vascular disease.

10 a.m. Break and Exhibits

10:15 a.m. The Art and Science of the Management of Aortic Aneurysms

Mohamed Osman, MD, MBA, DABS, RPVI, FACS, FSVS

- Review the process of the management of aortic aneurysms from a surgical perspective.
- Discuss the post op care of the patient after abdominal aortic aneurysm repair.

10:45 a.m. Correlating Imaging Findings with Intra-Operative Findings

Faisal Aziz, MD, MBA, FACS, FSVS

- Understand the key imaging modalities: Identify and differentiate the imaging techniques commonly used pre-operatively, including their strengths and limitations in predicting intra-operative findings.
- Correlate imaging with surgical observations: Develop skills to interpret specific imaging findings and correlate them with anticipated intra-operative anatomy and pathology for improved surgical planning and outcomes.

11:45 a.m. Lunch and Exhibits

1 p.m. The 2025 Update of Nursing Practice (Rule 4723)

Courtney Goda, MSN, GERO-BC, NPD-BC, CDP

- Explain the key components of Ohio Nursing Law 4723, including licensure requirements, scope of practice, and disciplinary actions to ensure compliance with state regulations in nursing practice.
- Identify two recent updates or changes to Ohio Nursing Law 4723 and describe their implications for clinical practice, safeguarding both patient safety and professional accountability.

2 p.m. Transcarotid Artery Revascularization (TCAR): A New Approach to Carotid Disease

Sophia Afridi, MD

- Explain TCAR versus open procedure for carotid disease.
- Discuss the post procedure management for TCAR patients.

2:30 p.m. Break and Exhibits

2:45 p.m. The BIG Squeeze: Compression Therapy Update

Mary Cheney, CNP, CWS

- Demonstrate the proper use of compression wrap applications.
- Determine what compression wrap is best for the individual patient.

3:15 p.m. What's New in Dialysis Treatment

Andrew Seiwert, MD, FACS

- Discuss what's new or not new in renal replacement therapy.
- Determine if percutaneous AVF is better than surgical construction.

4 p.m. Evaluation

4:15 p.m. Adjournment

Educational Credits

ProMedica is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Application has been made to American Society of Radiological Technologists (ASRT) for accreditation for credit hours in Category A.

Refund/Cancellation Policy

The registration fee, minus a \$25 administrative fee, will be refunded if a cancellation is received (in writing or by phone) no later than Wednesday, April 9, 2025. Refunds will be given for failure to attend. Substitutions may be made at any time (in writing or by phone) without an additional charge. *If this meeting is cancelled for any reason, including labor strikes or acts of nature, liability is limited to a full refund of registration fees.*

For more information, please contact Diane Monaghan with ProMedica Continuing Medical Education at 419-291-4649 or diane.monaghan@promedica.org, or visit us at Conrad Jobst Tower, Suite 730, 2109 Hughes Drive, Toledo, Ohio 43606.

For your comfort, please bring a sweater or jacket to the conference.
