

Overview

The goal of this conference is to provide critical care and intermediate care nurses with current information related to clinical practice, professional growth and recent health care trends.

Location

Hilton Garden Inn is located at 6165 Levis Commons Blvd., Perrysburg, Ohio, in the Levis Commons shopping district. It is easily accessible from I-475/US 23 (exit 2 - US 25).

Featured Speaker

Sara R. Grieshop, MHI, BSN, RN, Nurse Leader-Innovator-Clinical Expert/Leader

Sara's objective: To leverage my clinical and leadership experience alongside innovative health care solutions, aiming to empower nurses globally and drive transformative change within health care systems worldwide.

Sara is a dedicated nurse innovator and leader with over 12 years of experience in critical care, nurse professional organizations, and academic medical centers. Her expertise spans digital competency development, where she co-created a pioneering competency framework, toolkit, and digital knowledge assessment tool. As a national and international leadership speaker, Sara is committed to advancing nursing excellence and empowering health care professionals.

Currently, Sara plays a pivotal role in supporting the acute, progressive critical care community, delivering essential resources to enhance nursing practice and patient care outcomes. She serves as a lead clinical expert for AACN's knowledge assessment tools and orientation pathway, contributing significantly to professional development in critical care nursing.

Passionate about leadership and health care transformation, Sara champions the role of nurses in enhancing patient care experiences and outcomes. She believes strongly in elevating voices to drive meaningful change within health care systems. Sara is poised to lead the health care field to new heights, advocating for a future where nurses play a central role in shaping a better health care landscape.

Faculty

Brad Asbury, BSN, RN
Nursing Practice Specialist
Patient Care Staff Development
ProMedica
Toledo, Ohio

Daniel Bobosky, AAS
Clinical Education Multimedia Learning Specialist
Patient Care Staff Development
ProMedica
Maumee, Ohio

Zachary Brock, BS, MAT
Clinical Education Multimedia Learning Specialist
Patient Care Staff Development
ProMedica
Maumee, Ohio

Joshua Bryan, CTP
Hospital Donation Advocate
Gift of Life Michigan
Ann Arbor, Michigan

Imad M. Hariri, MD, FACC, FHFSA
Advanced Heart Failure
Cardiologist
ProMedica Physician Cardiology
Toledo, Ohio

Kelly Hoot, BSN, RN
Lead Research Coordinator
ProMedica Cystic Fibrosis Center
of Northwest Ohio
Toledo, Ohio

Lynn Liber, RD/LD
Clinical Dietician
ProMedica Cystic Fibrosis Center
of Northwest Ohio
Toledo, Ohio

Ashlyn Marquette, RPh, PharmD
Pharmacist
ProMedica Toledo Hospital
Toledo, Ohio

Courtney Pawlowski, Parent
Toledo, Ohio

Kevin Reinard MD, FAANS
Neurosurgeon
ProMedica Physicians Neurosurgery
Toledo, Ohio

Agenda

- | | |
|------------|--|
| 7 a.m. | Registration, Continental Breakfast and Exhibits |
| 7:55 a.m. | Welcome and Introductions |
| 8:05 a.m. | Mama Tried, What Trauma Patients Teach Us
Sara R. Grieshop, MHI, BSN, RN <ul style="list-style-type: none">Reflect on how encounters with trauma patients challenge nurses assumptions and expand their understanding of human resilience and vulnerability.Discuss the role of reflective practice in processing and learning from traumatic experiences encountered in nursing practice and in real life. |
| 9:15 a.m. | <i>Breakout Session A</i>
Care of the Cystic Fibrosis Patients
Kelly Hoot, BSN, RN; and Lynn Liber, RD/LD <ul style="list-style-type: none">Provide up-to-date knowledge about a variety of aspects of cystic fibrosis (CF) care, including the cause of CF, infection prevention, airway clearance, nutritional requirements, social work needs, our transition program, and research. |
| | Catecholamine-Sparing Vasopressors for Distributive Shock
Ashlyn Marquette RPh, PharmD <ul style="list-style-type: none">Describe the pathophysiology of the most common etiologies of distributive shock.Evaluate available literature for catecholamine-sparing vasopressors for the treatment of distributive shock.Develop an optimal treatment plan for patients presenting with distributive shock. |
| | Creating Hope: The Impact of Nursing on Donation Outcomes
Joshua Bryan CTP <ul style="list-style-type: none">Define nurses’ impact on the donation process.Describe the importance of donor management.Review how good relationships between hospitals and OPO’s yield better outcomes. |
| 10:30 a.m. | Break, Exhibits and Poster Presentations |
| 11 a.m. | <i>Breakout Session B</i>
Navigating Clotting vs. Clogging on CRRT
Sara R. Grieshop, MHI, BSN, RN <ul style="list-style-type: none">Define and distinguish between clotting and clogging phenomena as they pertain to CRRT circuits and filters.Identify risk factors and patient-related variables that contribute to clotting and clogging incidents in clinical practice. |
| | Adult and Pediatric Overview of Traumatic Brain Injury and Meningitis
Kevin Reinard, MD, FAANS <ul style="list-style-type: none">Discuss traumatic brain and spinal cord injuries diagnosis and causes.Explain the treatment options and complications of traumatic brain and spinal cord injuries. |
| 12:15 p.m. | Lunch |
| 1 p.m. | A Parent’s Worst Nightmare
Courtney Pawlowski <ul style="list-style-type: none">Summarize a patient’s experience and the journey of the patient and their family. |
| 2 p.m. | Break, Exhibits and Poster Presentations |

- 2:15 p.m. *Breakout Session C*
Medicine Reconciliation Madness: Keeping Meds in Harmony for Safe Patient Care
Sara R. Grieshop, MHI, BSN, RN
 - Explain the process and key components of medication reconciliation, including obtaining an accurate medication history, verifying medications, and reconciling discrepancies.
 - Highlight the importance of interdisciplinary collaboration and communication in ensuring effective medication reconciliation practices.

- Future of Education Simulation and Virtual Reality Advancements**
Brad Asbury BSN, RN; Zachary Brock BS, MAT and Daniel Bobosky AAS
 - Indicate the latest virtual reality (VR) and simulation technologies, tools, and platforms.
 - Describe visionary talks and presentations on the future possibilities of VR and simulation.
 - Explore the importance of user experience and design in VR and simulation environments.

- Cardiogenic Shock and More!**
Imad M. Hariri, MD, FACC, FHFSA
 - Differentiate types of shock encountered in the ICU.
 - Define and classify stages of cardiogenic shock.
 - Review the pathophysiology of cardiogenic shock.
 - Describe the uses of hemodynamic monitoring and role for pulmonary artery catheter use in cardiogenic shock.
 - Discuss treatment of cardiogenic shock using multi-disciplinary team approach and the use of mechanical circulatory support (MCS).

- 3:30 p.m. **Compartmentalizing Life and Work: Learning to Give Ourselves Grace**
Sara R. Grieshop, MHI, BSN, RN
 - Highlight the importance of self-care practices, such as mindfulness, time management, and setting realistic expectations, to prevent burnout and promote overall well-being.
 - Discuss strategies for overcoming guilt or self-criticism associated with prioritizing self-care and person well-being.

- 4:30 p.m. **Evaluation and Raffle**

- 4:40 p.m. **Adjournment**

For your comfort please bring a jacket or sweater to the conference.

Educational Credits

ProMedica is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

Refund/Cancellation Policy

The registration fee, minus a \$25 administrative fee, will be refunded if a cancellation is received (in writing or by phone) no later than **Friday, October 4, 2024**. Refunds will not be given for failure to attend. Substitutions may be made at any time (in writing or by phone) without an additional charge. *If this meeting is cancelled for any reason, including labor strikes or acts of nature, liability is limited to a full refund of registration fees.*

For more information, please call the ProMedica Continuing Medical Education Department at 419-291-4650 or visit Conrad Jobst Tower, Suite 730, 2109 Hughes Drive, Toledo, Ohio 43606.
