

WELCOME

This year's seminar will cover several emerging issues in Mindfulness and Survival, no matter where it may be, the Courtroom, Surgical Suite, office or life. Topics include Medical Malpractice with case law updates and how it impacts healthcare providers and attorneys. Adapt change and environments for counsel and physicians to approach challenging clients and patients.

AUDIENCE

This activity is designed for physicians and residents and is also of educational value for psychologists, PA's, NP's, nurses, students, advanced practice providers, and other healthcare professionals.
